Grand Junction, Colo.

In just one hour's time, more than \$2,000 was raised for the March of Dimes... by smashing eggs on people's heads. The American National Bank in Grand Junction on Patterson Road hosted the Third Annual Egg-Stravaganza Event.

Each broken egg brought in a \$5 donation. People getting egged on ranged from Mesa County District Attorney Pete Hautzinger to some of our very own employees here at KREX.

“It’s amazing. Last year we raised \$651. This year, we’ve already more than surpassed it, so we’re totally excited,” said Patricia Worthington, the organizer of the event.

The thousands of dollars raised will go to the March of Dimes Walk for Babies.
