

At *American National Bank*, we believe in giving back to the communities we serve. For years we have been dedicated to giving philanthropically to a variety of charitable causes, supporting community events, and connecting our employees in volunteer efforts for non-profit organizations. During 2008 we:

- **Gave over \$1,045,000 through community sponsorships and donations**
- **Connected volunteerism with over 4,900 hours**

Donald and Susan Sturm, owners of *American National Bank*, founded *The Sturm Family Foundation* in 1990, and have supported many philanthropic initiatives. Affordable housing opportunities for low-income families and educational opportunities for children are among their primary goals. The Foundation also helps further higher education opportunities as well as philanthropic efforts in many of the communities *American National Bank* operates. In 2008, *The Sturm Family Foundation*:

- **Matched \$177,866.20 along with ANB to community sponsorships and donations**

*American National Bank* and *The Sturm Family Foundation* supported over **525** different organizations and activities in 2008 to include:
